Early SAVAGE Families in Baslow

NB There was a William Savage in Baslow in 1638

Note

Letter & Number indicates a Gravestone

Notes

There is a gap in records of Savages n Baslow in the mid 1700s. Perhaps they moved to Calver

John Savage (above) came from Calver

Hannah b1800 had first child Anne in Salford when she was only 15. No sign of Mr Ollivant in Baslow records.

Hannah (b1800) later returned home with Anne & Charles to be housekeeper for her unmarried brother Thomas the Innkeeper.

even in 1861 she is recored as Married, so she was probably seperated from her husband

Thomas b1857 nephew of Thomas b1788. ? An error somewhere

Other Savage Families

Gravestone of Sarah d1707 (M21)
